Important Information

- Shipping plans are available only for standard products. Please check with Order Desk for availability of a product for quick ship.
- Shipping plan premium will be automatically applied based on requested shipping date.
- Orders received after 2 p.m. (Eastern time) will be considered as following working day. For same-day orders, cut-off time is 11 a.m.
- Airvector® will determine how to ship if not specified by client.
- Contact factory for estimated shipping cost.
- Confirm orders in writing. Buyer assumes full responsibility for any errors on verbal orders.
- Extra crating, if needed, will be additional. Customer's approval required.
- Returned goods must be pre-approved. Standard restocking charge of 25% (exclusive of return freight costs) on resalable goods only. Judgment whether goods are resalable or not are at the discretion of Alfa Mega Inc. or Airvector Inc.
- We will accept Freight Damage claims in the thirty (30) days following shipping. Any claims submitted after this date will be disregarded. To submit a claim, please attach the shipper's signed copy of the Bill of Lading pertaining to the invoice.
- Default finish is White for most products. Other colors available upon request, please contact factory and see finish chart.
- Products that show manufacturing defects will be replaced or refurbished free of charge.
